

MISSION TO THE CHILDREN

EVANGELISTIC DENTAL MISSION TO THE DOMINICAN REPUBLIC

JACK, FRANCISCA, PATRICIA & MIGUEL JMEIBAUM@AOL.COM

MAY 2009

THE RANCHO

The new rancho is a great success for the children that play in the rain and for our services and movies etc. You can see many pictures of the new rancho on the mission web site under May news. www.missiontothechildren.com

SMILES FOR JESUS

Smiles for Jesus is a website dedicated to the new smiles of many of the children at the clinic. You can access the site from the mission web site, www.missiontothechildren.com or by going directly to the www.smilesforjesus.com web site

THANK YOU

I want to thank the companies that donated supplies this month. Thank you **Ivoclar Vivadent** for the curing light we needed for the 3 students coming from Scotland soon. Thank you **Hu-Freidy** for the surgical gut and instruments that arrived at the mission. Thank you **MTI Precision Instruments** for the new hand pieces, We have used handpieces from MTI since the beginning of our mission work

NEW CLINIC OFFICE

The original plan for the clinic included an office and a bathroom. We now have the office coming along well thanks to Gene Call. Mat, Bob and Linda. This team came to help the mission again this year. Bob and Linda played wonderful music on keyboard and drums again but were rained out every night due to a tropical storm that has continued for several weeks, You can see a short video clip of Linda and Bob playing on the mission web site.

BOB AND LINDA MAKE MUSIC
