

MISSION TO THE CHILDREN

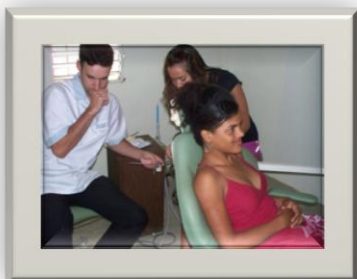

THE MISSION IS IN NEED OF LIDOCAINE FOR A NEW PROJECT WE ARE TRYING.

We want to enter a new area with about 15 families - start an evangelism campaign and invite all the families to the clinic for free dental care but we need donations of lidocaine or funds to buy lidocaine to continue with this project. If you want to help with this need please see the donations page on www.missiontothechildren.com or write to me at jmeibaum@aol.com

NEW PUPPETS ARRIVE AT THE CLINIC

My mother was wonderful with puppets. She created all her puppets personally and I remember her giving puppet shows for my children over 30 years ago. Now the puppets of my mother are coming to the mission for us to use with the children here. You can see a short video of the puppets on the mission web site

SCHOOL SUPPLIES NEEDED

Each year we cannot get enough school supplies for the children in the surrounding areas. If a child does not have his or her notebooks the child cannot enter school. We have some notebooks and pencils here now but need many more. These can be bought here easily. All we need is donations to buy them for this August.

IN THE NAME OF JESUS

All our work is done in the name of Jesus. We make every effort to include bible teaching in all our work projects. We need more families to come and work with us for a week or two. Consider coming for a visit or getting involved in the ministries here by sending supplies, donations or daily prayers for the many attacks of satan that come our way. Visit our website at www.missiontothechildren.com. God Bless, Jack, servant of Jesus
